Litigation

## OUR SERVICE

STBB was established in 1900 and is a firm of business-minded lawyers. At present, the firm consists of approximately 100 professionals practising from 11 offices throughout South Africa.

By understanding our clients' needs and objectives, we strive to deliver cost-effective legal solutions for all business and personal matters. We are committed to developing close working relationships with our clients. This commitment enables us to consistently succeed on their behalf.

### LITIGATION AND DISPUTE RESOLUTION

Daily commerce and business transactions often involve complex relationships between individuals, companies and other organisations, and it has become increasingly vital to consult professional dispute resolution attorneys in order to avoid costly disagreements.

Whether in the realm of dispute resolution, general litigation, property litigation or insolvency litigation, STBB assists clients in finding the most beneficial resolution of disputes effectively and efficiently.

We have an extensive litigation team across our various branches. Our directors, senior associates, associates and paralegals are highly focussed, practical and solutions-driven.

## WHAT DISTINGUISHES US?

We have a number of high level specialists who are leaders in their field of practise. We also offer excellent, cost-effective litigation services by leveraging our younger attorneys who work closely with our directors in each litigation centre in the firm.

We conduct litigation across the various courts in the country and our teams have expertise in alternative dispute resolution, including mediation and arbitration. We are often tasked with representing our clients in specialised tribunals.
